Welfare Check

I had conducted many welfare checks throughout my law enforcement career, most of these involving elderly folks who lived alone. Results ran the gamut – I had found a widow sprawled on her kitchen floor with a broken hip, an alcoholic retiree passed out in his own vomit, even a terminally ill pensioner clutching a handgun in a cold hand, his brains smeared across tattered bedroom curtains. As a cop you learned to expect the worst...

This morning's call had come in at approximately nine o'clock, prompting me to alter my usual patrol route. The female subject was in her late twenties, a paralegal who had failed to show up for work.

A coworker had contacted the young lady's mother; repeated calls and text messages from the mother had failed to elicit a response. The worried mother – who lived out of state – had phoned the police. Of course there was always a chance that the daughter had overslept. Or, I reasoned, maybe food poisoning was to blame; I had seen that before, a subject so weak and dehydrated he couldn't even retrieve his phone.

Now, having located the apartment with ease, I knocked on the door. I didn't hear a peep from inside – no TV voices, no music, nothing at all. I knocked again, louder this time, announcing my presence as I did so. "Police..."

That did the trick. The door swung open. And I received the shock of my life.

The young lady's name was Lillian Cagney. But I knew her by something else entirely, the markedly more lewd handle of "Wet Wendy" – that's the pseudonym she used when working her other job, modeling on my favorite cam site.

It went both ways, of course. Recognition dawned on her face. "To serve and poke?"

That was the name I used on the site where we enjoyed each other cam 2 cam, an obvious play on the police department's motto. I could've denied it, could've told her that she had me confused with somebody else, but rejected this idea.

She had me pegged. And vice versa. "Paralegal, huh?"

"Ex-paralegal," she said. "I probably won't have a job after today." Having accepted her invitation to come inside, I leaned against the kitchen sink with my arms crossed, listening to her heartfelt confessional. She sat at a rickety table heaped with legal documents from her job. "But that's okay. I'm sick of the gig, anyway. I should've quit a long time ago."

"What are you going to do?" I asked.

"Cam fulltime, I guess. I'll be a lot happier. It's the perfect job, really. I work from home, set my own hours..."

40+ #21

40+: It's a rare opportunity today to tell you about one of our favorite

ladies, Cherie DeVille. She's a sexual firecracker, so let's get right into it.

Cherie: I know you would live to see my big beautiful boobs, hot pussy and perfectly round ass.

40+: Wow, don't waste any time... but yeah! What man wouldn't? What's your favorite thing to do?

Ditching the respectability and security of her day job to be “Wet Wendy” 24/7 was a bold move, perhaps even a foolish one. Still, I had no say in the matter. And it would’ve been awfully hypocritical of me to pass judgment. After all, I was one of her cam 2 cam regulars, getting off with her two to three times a week.

She searched my face. “I know what you’re thinking.”

“What?” I asked.

“You’re right. Most cam models block users in their home state. I choose not to do that. I mean, hey, why exclude a paying customer? Your money is just as good as anybody else’s. So what if somebody recognizes me? I’m not ashamed of what I do.”

“You provide a valuable service,” I told her.

“I like to think so,” she said. Then, “You do, too.”

“That’s refreshing. Most people hate cops.”

“Not me.”

Remaining seated, she pulled her legs out from under the table and turned them toward me, granting me an unobstructed view. Her soccer shorts left little to the imagination. They were nice legs, long and slender and smooth.

“In fact, I think most cops are hot. You certainly are.”

“I bet you say that to all the boys in blue.”

“No,” she said, “just the ones who make me wet.” She made this declaration in the same sultry voice she employed while camming – her slutty “Wet Wendy” voice. Music to my ears, I thought. And something else, too.

My cock stirred as she spread her legs

and started rubbing herself, moving her fingers up and down the satiny fabric of her shorts.

“Pull it out, baby.” She licked her lips. “Show Wet Wendy how hard you are.”

I unfastened my belt – replete with cuffs, handgun, pepper spray, and other tools of the trade – and placed it atop the counter. Then I unzipped my pants and let them fall to the floor, whipping out my dick with much haste.

“Ooooooh yeah. Nice and hard for me.” She reciprocated, shucking her shorts and panties. Her fingers went back to work, deftly probing her pussy while I stroked myself, sliding my hand up and down. It was a surreal experience, for sure. I had always assumed that Wet Wendy lived somewhere else, somewhere far away from here, the West Coast, perhaps.

Boy was I wrong! She was right here all along, right here in my hometown, viewing the same sights, driving the same streets, shopping in the same stores. It was truly a small world.

“I’ll be right back,” she said. “Keep it up.”

I did just that, jerking my prick with practiced precision as she vanished into the bedroom, returning a moment later with her

Cherie: If you mean sexually, I like it all, and I like it with people I like. Strangely, I like being a MILF. That allows me to stretch my acting skills, but most of all, I like playing around with the new talent entering the business. I like sharing my knowledge, and while I don’t counsel them, they are fascinating to talk with.

40+: *That’s cool.*

Cherie: Yeah, but I also like my older friends in the business. They are ones I grew up with and I’ve become good friends with many of them.

40+: *Do you hook up with any them outside of work?*

Cherie: Of course. Some I still like

preferred dildo. She resumed her position in the kitchen chair. "Look familiar?"

"You bet it does," I said. I recognized the toy immediately. It was the one she always used when we went cam 2 cam. I tugged and tugged as she licked the plastic phallus, basting its length with her tongue. Then she plunged it into her pussy, moaning delightfully. She worked it in and out with one hand, using the other to massage her clit, working herself into a frenzy of excitement.

Restraint, I chided myself, wanting to prolong the fun. But my hand seemed to have a mind of its own, pumping faster and faster until it was too late. I grunted and shot a massive wad all over her kitchen floor. She pulled the dildo out of her cunt and licked it clean, savoring her juices while I tried to catch my breath.

For the record, Wet Wendy wasn't fired by the law firm; rather, she quit. True to her word, she now works as a fulltime cam model; sometimes she even lets me join in the fun, lets me fuck her for our ever-growing fan base. Of course I always wear a mask. I'm still a cop, you see. And one never knows who might be watching.

— Casey A., Los Angeles, CA

Wet Dreamer

I was thumbing through the last issue of **40+** issue and have an idea for a pictorial for your photographer to shoot: a couple having sex in the shower. I had to write you because I have a shower sex fantasy and that pictorial would just really get me, and I'm sure many others, off.

My dream girl has nice full boobs and a firm round butt, and a little older. They make bet-

ter lovers. They usually don't have hang-ups about sex or trying new stuff, because they have probably already done it. They also are ready to please a man where as younger women want to please themselves or just get it over with and then leave because they have things to do, like meet their girlfriends at the mall.

What I especially like is when a woman can lick her own boobs and even better, if they can suck their own nipple. That's a real turn on for me and if she is sitting on my hard cock and doing that, I can really get off.

But a full-breasted woman dripping wet in the shower with soap running down her body, between her breasts and legs, I can almost cum just writing about it. Then the guy would get his cock sucked as water streams down her back and into her butt crack as she's kneeling on the floor for the bj. Then he would get behind her and fuck her from the back with a bunch of close-ups showing his wet cock going into her wetter pussy and ass. Then the money shot would be on her chest as the splooge and water mix and flow into her mouth.

Anyway, just wanted to say thank you in advance if you do this hot pictorial. Drop me a line and let me know when you're going to print it so I can go out and buy several copies. My return address is on the envelope.

— Craig S., Tempe, AZ

having sex with, while others we are just friends, without benefits. We go shopping, clubbing, vacationing. It's all good.

40+: And sex.

Cherie: Yeah, but I'm so busy, and having a lot of sex, that's it's often hard to schedule an intimate rendezvous. And if they're in the business, their time is tight also. But I'm pretty sexually charged so I try to get my share. You'd do the same if you were in my shoes!

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. MONICA
& LOUPAN

Some days Monica wants nothing more than her pussy filled full with cock and some white hot jizz. Other days getting stuffed in the pussy just isn't enough. She crawls into bed naked, whispering about needing it in her ass immediately.

Lydia wasn't interested in me at all, sexually or even socially. But every time I caught a glimpse of my next door neighbor's body, I would get terribly horny.

I first met Lydia at a party thrown by a couple who lives down the street. She was wearing a white dress which clung to her hourglass hips and full boobs. The sight made me ache with desire. And this voluptuous babe was a redhead which made her stand out in a crowd like a pillar of fire.

I had to muster all my courage to walk over to Lydia and strike up a conversation. This was hard to do since just looking at her made my mouth dry. I must have come across as too eager because she quickly left me to check out the dip.

A few weeks later I managed to invite my red-headed neighbor over for dinner at my place. She was wearing a light pink sweater and tight blue jeans which made the palms of my hands sweat when I saw the swelling mound of her pussy outlined clearly in denim. She liked the meal had prepared, and liked seeing her red tongue snake out and lick her full lips clean after every few bites. I served a lot of alcohol hoping to loosen her inhibitions. I got her sitting on the couch with me and began resting my hand on her thigh while we sipped our wine. When began to slide my fingers up towards her crotch she stood up and stormed

out the front door saying I had drunk too much.

Time passed and if anything Lydia became even more unfriendly.

Soon it was summer and when I peeked through the cracks in the fence dividing our backyards I often saw her sunbathing by her pool. She usually wore a black string bikini which did little more than cover her pubic hair and the nipples on her heavy tits. I almost felt as if she knew I was watching and posed in erotic positions. I especially liked it when she would bend over with her firm round ass turned up towards me, only a small portion of it concealed by her bikini bottom. Underneath I could see her cunt pressed firmly against the thin black material with stray red pubic hairs poking out

One day I discovered the redheaded woman sunbathing in the nude. Her tits glistened with sunblock in the bright sunlight with little white patches surrounding her broad pink nipples. She lay there with her legs slightly parted so that between the swells of her inner thighs I could see little hints of pink pussy lips poking out of her orange pubic bush.

This shimmering vision of Lydia totally stripped, slick with suntan lotion and legs spread drove me wild.

I had to muster all my courage to walk over to Lydia and strike up a conversation. This was hard to do since just looking at her made my mouth dry.

BLAIR-NTS-00

...I thought nude sun-bathing was a natural and healthy thing to do. To prove this to her I pulled off my shorts so that we were both stark naked. This was perhaps not a very smooth move but I couldn't think of any other way to get the ball rolling.

I had to pull down my pants and run my hand up and down my achingly hard cock, eyes glued to Lydia until I creamed all over the nice green fence.

The next day my neighbor was at it again. Seeing her stark naked and greased like an oily fish only a few yards from me made me want to rip down the fence, storm into her yard, push her legs wide open and cram my pulsing meat right up inside her hairy muff.

I went for a slightly more subtle plan. I walked into her backyard wearing only a small pair of shorts, claiming to be looking for my cat Lydia jumped up startled and then struggled to cover herself with her towel. I acted surprised and told her I thought nude sun-bathing was a natural and healthy thing to do. To prove this to her I pulled off my shorts so that we were both stark naked. This was perhaps not a very smooth move but I couldn't think of any other way to get the ball rolling.

Even more corny and obvious, I picked up the bottle of sun block and asked her if she would like to rub some into my skin as I stood there with a huge blood-engorged erection twitching up towards my belly. Lydia screamed at me, calling me sick. I began to back away from her guiltily, my hard-on sagging down more with each step. Then I slipped on a patch of tiling, wet from pool water. I fell on my back and painfully banged my head.

I lay on the ground slightly dazed and Lydia ran over to me. She knelt by my side and said, "Oh you poor boy, did you hurt yourself?" she rested her soft, delicate hand on my chest, one of her fingers casually touching my nipple. I just groaned although my eyes were happily taking in the sight of her swaying tits hanging over my face with puckered nipples poking upwards.

Lydia continued to stroke my chest and caress my forehead, every once in a while bumping her pendulous melons against my chin. My dick be

came aroused again, swelling and standing up tall. She turned and noticed my veiny organ pointing skyward. With a giggle Lydia wrapped her cool slim fingers around my pulsing hot shaft and squeezed it a little. "Oh you poor boy," she said again. "I'll have to soothe you."

Lydia pulled on my rod, slowly letting her fingers slide up the broad shaft. After her hand pulled right off the sensitive head she shifted her attention to my balls. First she weighed them with her fingers and then pulled on the loose flesh of my hairy sac. The redhead caressed the wrinkled skin with the tips of her pointed fingernails.

I reached up and caressed the curving side of one of Lydia's trembling, fleshy orbs. The skin on her tit felt warm and silky soft. My fingers ran down and tickled the underside of her boob, pushing up a bit on her heavy glands. Then I circled my index finger around the pink nipple, watching goose bumps form and the nipple stiffen as it filled with blood. My voluptuous neighbor began to moan a little as I pulled and twisted on that swollen, pink bud.

Meanwhile the woman's hands had traveled back up my prick and were rubbing around the edge of the rim of my cockhead. Then her fingers moved slowly down the underside of my organ pinching and tweaking on the sensitive cord of flesh that runs down from head to balls. Her other hand massaged the swollen sides of my pecker, causing it to quiver and twitch with a mind of its own.

Then Lydia lowered her head and began to lap at my balls with long strokes of her strong, red tongue. It felt very hot and wet. She nibbled on the skin with her teeth and then sucked little bits, one at a time, in between her soft lips. The muscles in my ass tightened and my body squirmed on the cold tiles beneath my back. I could see her red hair bobbing over my belly button as Lydia's lips moved up to my throbbing shaft. First she slid her lips up the length of it stopping at the head to nibble and lick her way around the rim.

Then her lips descended upon my cockhead, taking it into her steamy, warm mouth and washing its surface with her energetic tongue. Her teeth pressed down lightly on the most swollen part of the shaft and applied highly stimulating pressure. For a while the suction on my mushroomed prick head was so great it felt like Lydia could suck the cum right out of my balls.

I was writhing and squirming uncontrollably by this point. My hands groped around and clasped onto her firm ass which I caressed spasmodically with the rhythm of Lydia's mouth on my dick. Every now and then I would dip my hand down and plow my fingers into her tight snatch causing the juices to flow out of her steaming pussy.

Lydia licked and sucked up and down each, side of my quivering, pulsing organ and then thrust it deep inside her mouth. She slid her lips in tight "O" shape up to the rim and all the way down to the base almost touching my balls. She grabbed my balls with one hand and began to squeeze them as she increased the tempo of her sucking. My back began to arch and my hips buck in a wild frenzy. This forced my cock deeper into Lydia's mouth and throat with each stroke.

Without missing a beat with her pumping mouth Lydia swung her leg over my head and positioned her steamy wet pussy over my face. I could see the moisture glistening in her kinky pubic hair. At the same time I could still feel her mouth pulling and twisting along my veiny prick. Now all I could see were the parted lips of her cunt, turning a deep shade of red as they flushed with blood.

I held onto Lydia's ass cheeks and pulled her hips downward so that I could easily reach her tunnel of love with my eager mouth. Pulling it in with my lips I sucked one of her thin inner pussy lips into my mouth, pulling it in, batting it around with my tongue and chewing on it. Then, stiffening my tongue, I rammed it between those

trembling lips to taste her juicy quim. I swished my tongue about, rubbing against her convulsing, clamping muscles and Lydia smashed her hips down, mushing her pussy into my face.

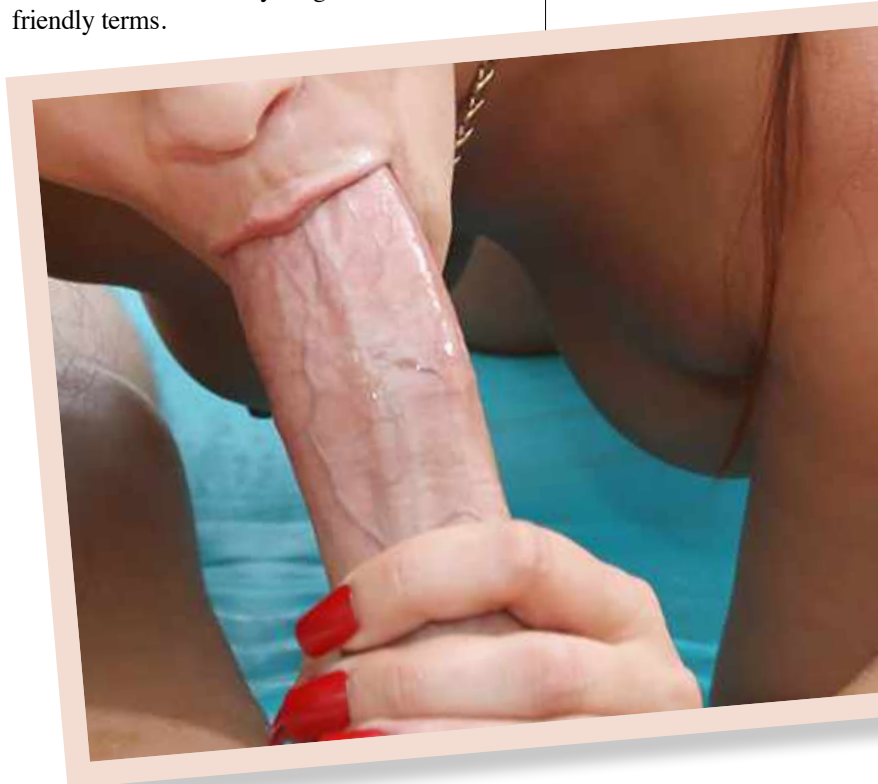

Lydia's eager mouth was sending waves of heat up my body. My cock expanded in her mouth to the edge of bursting while my hips pumped convulsively upwards.

My furiously lapping tongue found the hard nub of the red head's clit buried in folds of wrinkled red flesh. I batted it about with my tongue and then sucked her tiny bud into my mouth. Lydia's hips smashed down on my face in a wild frenzy. She was bursting into orgasm, almost biting into my pecker which still throbbed in her mouth.

As she clamped down so tightly on my trembling meat I was thrown into my own uncontrollable orgasm. It felt like the head of my cock was exploding as I gushed spurt after spurt of my thick, hot cum down her throat. My own lips clamped down hard on her clit and tugged it about as my whole body writhed out of control.

I think this drove my fleshy neighbor to a second orgasm from the way her muscles began to tremble and shudder all over again and the way she twitched and wriggled her ass high up in the air. For a long time after our oral union Lydia and I lay by the side of her shimmering blue swimming pool panting and sighing. I could see a thin white streak of my cum dripping out of the corner of her mouth. At last my neighbor and I were on friendly terms.

Lydia licked and sucked up and down each, side of my quivering, pulsing organ and then thrust it deep inside her mouth. She slid her lips in tight "O" shape up to the rim and all the way down to the base almost touching my balls.

Sam

I love the differences in how people look. From your hair to your heels, every person is unique. It's just fascinating. And the female body is just so beautiful, you can't stop looking at it. But seeing the body in action is even better. My favorite example is the way my little pussy stretches around my biggest dildo is just beautiful.
